We are proud to present the new Brill logo!

It shows Pallas Athena, the Greek goddess of wisdom, and her owl.

Pallas has adorned our logo for centuries and she has now been given a modern look that fits Brill's mission: **looking forward while learning from our past.**

As one of the most serious threats to life on our planet, the climate crisis is no longer something we can address in the future, we must act on it now.

Join us in our series *Survival by Degrees*, where our authors reflect on climate change and global warming from several different angles.

Guide to International Environmental Law

Authors: Alexandre Kiss and Dinah Shelton

Guide to International Environmental Law addresses why and how the international system elaborates environmental obligations and monitors compliance with them. The book discusses the relationship between international obligations and national and local law, with particular reference to federal systems. It points out the influence national law has on the emergence of international law and the gr

Constitutionalisation of Private Law

Series: Constitutional Law Library, Volume: 2

Editors: Tom Barkhuysen and Siewert D. Lindenberg

All over Europe we witness a spectacular rise of the recourse to fundamental rights in debates on civil liability. This is part of a pervasive process of constitutionalisation, of private law in general and tort law in particular.

This publication aims at establishing a clear analysis of the nature and growth of the C-factor (C for constitutionalisation) in Germany, France, the UK and The Nethe
